# MURCHISON COMMUNITY CARE AUXILIARY MEETS FOR THE LAST TIME

BY MARGARET LOCK

*Community Care Auxiliary in 2023*

*Longstanding members of the Auxiliary*

Past and present members of Murchison Community Care Auxiliary met at "Wybalena" recently for their final meeting, followed by a celebratory afternoon tea.

Margaret Brown gave an informative talk about the Auxiliary's long history from when the group originated in connection with Murchison Bush Nursing Hospital. At its first meeting on 8th November, 1934, the Ladies' Auxiliary appointed Mrs C. Tait, President and Mrs Woolcock, Vice-President, after Mrs Tait announced that the Bush Nursing Hospital Committee empowered her to convene the meeting to outline the purpose of an Auxiliary and the nature of work it could undertake.

It was agreed members would bring an item to each meeting, November being "eggs". At the December meeting, with 24 people attending (including invited members from Nagambie Auxiliary), Miss Cahill was elected Secretary and Miss A. Stewart, Treasurer. Four further Vice-Presidents were also elected: Mrs Bayliss, Mrs J. Anderson, Mrs A. McLean and Mrs Twedde. It was agreed to open an account with the State Savings Bank. Thirty dozen eggs and 11 lbs butter were donated to the November Appeal after Mrs R. Nicholls and Miss M. Brisbane visited local homes to advise residents of the formation of the Auxiliary and its intention to carry out catering to raise funds for the Hospital.

At the March 1935 meeting, Miss M. Orr was elected Secretary. That year, caterings commenced with designated ladies providing afternoon tea at the football for 9 pence, with 10% of the proceeds being paid to the Football Club. This ceased in 1938 due to the unsatisfactory state of the facilities. However, in 1939, the afternoon teas recommenced, with the Auxiliary not having to pay commission. Central Council donated 12 pounds which assisted in buying a sterilizer and baby scales. Many 'in kind' donations were also made.

In its first five years, the Auxiliary catered for Hospital Balls, Bowls afternoon teas and a Rifle Club Dinner in the Mechanics Institute; Masonic Lodge Installation Dinners for 3/6 per head; a Hospital Fete afternoon tea, and morning teas for Hospital working bees. A Dog Show and Australian Tea in 1938 also raised 8 pounds and sixpence. For all their caterings, Mrs Orr kindly allowed the Auxiliary to use cutlery and crockery she owned. After functions, it was all packed into boxes and taken home in the horse and gig, day or night, rain, hail or shine.

The 1936 Annual Meeting saw Mrs J. Orr elected President and Miss A. Stewart taking on the Secretary/Treasurer role until c1949. Miss M. Brisbane then took on both positions, with Mrs. M. Williams taking over from 1957-59.

In 1967, Mrs M. Miller was President, followed by Mrs G. Hammond c1970 and Mrs M. Brown in 1975, until the Auxiliary's closure in 2022. Mrs P. O'Mahony was elected Secretary in 1970 and Mrs M. Trevaskis elected Treasurer in 1973, until Mrs J. Hillgrove took on the position from 1993-2015. In 1980, Mrs M. Begg was elected Secretary, with Mrs J. Revell taking on the role in 2003, followed by Mrs M. Hipperson in 2018. Mrs J. Robinson was elected Treasurer in 2015.

# MURCHISON COMMUNITY CARE AUXILIARY MEETS FOR THE LAST TIME

## CONTINUED

Following the closure of the Murchison Bush Nursing Hospital in April 1995, the Auxiliary changed its name two years later to Murchison Community Care Auxiliary. They had supported the D.P. Jones Nursing Home since its opening in 1982 by providing curtains to go around beds, as well as window curtains. A lifter was also purchased. The Auxiliary continued to cater for parties, afternoon teas and suppers for families, as well as occasional weddings and funerals. Caterings for the Masonic Lodges continued until they closed their doors in 2000.

In later years, the Auxiliary ceased running General Meetings and the Secretary or President contacted members to tell them what catering was required, asking if they could provide what was needed, along with helping on the day. Over the decades, the Auxiliary committees proved to be a truly valuable asset to the Murchison district, raising over \$95,000 for the community. Their dedication is to be applauded.

# WONDERFUL CELEBRATION OF 150+ YEARS OF SCHOOLING IN MURCHISON

## MURCHISON HISTORICAL SOCIETY

What a wonderful day it was on April the first, 2023 when Murchison Primary School No: 1126 was at last able to commemorate 150+ years of education in the town. Past students, from both interstate and overseas, along with current students and teachers came together to mark this special occasion. The school has a remarkable history deserving of celebration.

In 1842 there was a school attached to the Goulburn Aboriginal Protectorate and after that closed in 1853, a Day School was organized for the town's children by the Presbyterian Community, held in the church building of the time. A government grant assisted with salary for the teacher and by 1862 was known as Common School No. 420. In later times the school was situated in a separate slab building facing Roderick square but blew down during a storm in December 1870.

Increasing Government regulation and funding of schools meant that by the end of 1871, a substantial building was opened in Willoughby Street known as State School number 1126, the forerunner of Murchison's present school.

As needs grew, a new building located in Impey Street was opened in 1906. Once the Impey Street School was in use, the Willoughby Street School was used for Cookery and Woodwork classes. In 1970 the Impey Street school was named Murchison Primary School. On 3rd August 2012, a modern, open plan style building, was officially opened at the Impey Street site.

2023 finds the school with 71 pupils with 8 teaching staff and 3 Education Support Staff. The Murchison After School Kids (MASK) program, also employs 2 co-ordinators.

Murchison Primary School's aim is to provide 'High quality, all-round education to the children in the Murchison community'. The school motto is:

'At Murchison Primary School we strive to be the best we can be by being safe, responsible, respectful, learners within our community'.

# DHURRINGILE PRIMARY SCHOOL

'Aim High' Respect Achievement Resilience

On the Monday of the last week of term, we took part in our Annual Athletic Sports at McEwen Reserve, Shepparton. This year, three new schools joined with us taking the number of schools participating to nine.

For first term, our physical education lessons focus on learning about the events at the athletic sports and then practicing them. To start our lessons, we have been running laps around the school each morning to assist in increasing our general fitness and to help in learning how to pace ourselves during the distance running events.

Events the students participate in include: distance running, sprints, shot put or vortex, discus, high jump, long jump, triple jump, and hurdles. The older students also have the chance to represent their school in the relays.

The Dhurringile students didn't manage to earn lots of ribbons at the sports however they thoroughly demonstrated our school values of respect, achievement and resilience through their efforts and sportsmanship. Well done.

## STITCHED UP WORKSHOP: TALKING TEXTILES WITH JUDITH ROBERTS

## MURCHISON FIRE BRIGADE CFA

BY BOB LANGFORD

The seasons have definitely turned since our last newsletter and with the advent of cooler weather our emphasis on fire safety also takes a different turn. The overall importance of fire safety indoors or outdoors should never be underestimated but let's face it - **FIRE SAFETY STARTS WITH YOU!**

### HOME SAFETY

**SMOKE ALARMS** - Working Smoke Alarms save lives. You are more likely to die in a residential fire without a working smoke alarm. Specialised smoke alarms are available to people who are deaf or hard of hearing and can be linked to personal alarms such as those used by older people or those with a disability.

**THE KITCHEN** - Often the busiest area in the house and a prime spot for starting house fires. Never leave cooking unattended. Always supervise children and their activities in this area and ensure your kitchen has a suitable Fire Extinguisher and Fire Blanket to hand in case of any emergency.

**HEATING** - Heaters are a major cause of fires, especially during the winter months. Be careful in drying wet or damp clothing and laundry and ensure that combustible items are kept at least 1 metre away from a heat source. Remember - **'1 METRE FROM THE HEATER'**, but still keep your items in view. Always supervise children when close to a heater or an open fire and use a fire screen in front of an open fire to prevent items falling into or sparks or embers escaping from the fire.

**COMBUSTION HEATERS and STOVES** - Before lighting up for the first time this season, think of last years gunge still clinging to the inside of the flue. This is highly combustible at elevated temperatures and presents a hazard to safety. Please ensure your flue is clean and free of last years deposits. Remember - **'CLEAN YA FLUE, BLUE!'**

**ELECTRICAL** - A very common cause of fire. All equipment should have an Aust Standard or Regulatory Compliance Mark (RCM). Ensure power boards have overload protection and aren't covered eg. clothing, pillows and doonas etc. Also do not piggyback plugs into one socket or use double adaptors. One plug per device per outlet is recommended.

**CIGARETTES AND OPEN FLAMES** - Cigarettes, candles, incense and oil burners can cause fires. Always extinguish any open flame or cigarette before leaving home or going to sleep. Just think, that beautiful soporific aroma of a scented candle burning prior to sleeping might easily turn into your worst nightmare if not extinguished.

**HOME FIRE ESCAPE PLAN** - If you haven't got one then make one. It could save your life or lives of loved ones and pets. In fact, all of the house occupants.

The CFA/MFB publication 'HOME FIRE SAFETY' provides sound advice on all aspects of home fire safety and is one of the more often referred to publications in the CFA/MFB list.

These are available **FREE** in Murchison from the **POST OFFICE, PHARMACY, BAKERY and SUPERMARKET** and also direct from the **MURCHISON FIRE STATION** on Robinson Street (when manned). Definitely recommended reading. If you have an elderly or infirm neighbor pick one up for them and help spread the word. One house fire in Murchison would be one too many. Please don't become a statistic!

## MURCHISON FIRE BRIGADE CFA

BY BOB LANGFORD

On Saturday 1st April 2023 Murchison Primary School celebrated their 150th Anniversary and Murchison Fire Brigade were in attendance to support this great occasion. A great day was had by all and we must congratulate school Principal Karen Goodwin and her team for a magnificent effort. A credit to all concerned. Murchison Fire Brigade CFA provided a static display comprising the Tanker and Ultralight Tanker, together with an information marquee dealing with general CFA and safety enquiries.

Murchison Junior Fire Brigade also provided a short skills display in running out hoses, connecting, calling for water and directing hose streams. The two members concerned, Hailey Gell and Charlotte Robinson provided confident and disciplined teamwork and should be given credit for their efforts. They were also a credit to our Junior Leaders Bec Catania and Andrew Gell present on the day.

Some pictures taken and thanks to Bec Catani and Andrew Gell
